Non-GAAP Financial Measures, page 46

1. We note your response to prior comment 2 and that you revised the labeling of your FFO per unit measure to "FFO per common and subordinated unit - diluted" in the table included on page 48. However, your FFO measure is still labeled "FFO" in your calculation. Please further revise the labeling of your FFO to clarify that it is attributable to common and subordinated unitholders in future filings, including your future earnings releases and future supplemental packages, if applicable.
